

Kitchen Assistant

About Opportunity

During the day clients will have teas/coffee and a three course lunch. The meals we serve are prepared by our very own cook. The kitchen assistant role would be to help the cook with prep and clear up tasks in the kitchen. Full training will be given and there are opportunities to obtain food hygiene and other appropriate certificates.

About PKAVS Day Respite Centre

We provide a high standard of care and offer appropriate levels of support for Carers in Perth and Kinross. Giving carers respite we enable those who have a degree of physical and/or mental frailty to remain as independent as possible, to improve their quality of life and to delay possible admission to residential nursing home care.

Skills & Experience

Good communication skills, an interest in cooking, friendly approachable attitude, patient and prepared to work as part of a team. Working as part of the team we would encourage our volunteers to share their ideas on where we can improve our service. A degree of flexibility would be needed as we may have different times and days when cover would be required.
