

Mini-Bus Driver/Escort

About Opportunity

PKAVS Adult Carers services offers carers respite and aims to enable those who have a degree of physical and/or mental frailty to remain as independent as possible, to improve their quality of life and to delay possible admission to residential nursing home care. As a driver you will play a major role in enhancing the lives of our service users by keeping people connected. You will drive one of the three mini-buses. Full training will be given and will include a Midas certificate which will be fully paid for by the service. Each driver will work alongside an escort and you will be asked to collect those attending the day centre from around Perth and outlying areas. Escorts will assist the service users getting on and off the buses.
