

Young Carers Drivers (Blairgowrie)

About Opportunity

PKAVS Young Carers Service covers the whole of Perth & Kinross which equates to 2500 square miles. We have many young carers we support who live in rural locations. For many young carers to attend the groups and activities we run that offers them respite from their often all-encompassing caring roles at homes, we need help. We need volunteer drivers who can spare 2/3 hours on a Tuesday to help pick up and drop off the children so they can attend the Blairgowrie Respite Group. This would entail being available from 4pm for group to start at 5pm and ideally being available again at 6.30pm to take the children home.

When you can do this

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun

About PKAVS Carers Hub

PKAVS Carers Services support unpaid Carers of all ages, living in Perth & Kinross and caring for family, partners, friends or neighbours. Using a holistic approach in working with people who have caring responsibilities we help carers retain a life outside of caring and develop skills or interests to enhance their own lives

Skills & Experience

Full UK Driving Licence required.
