

## Guidance Notes 2018-2019

*“A carer is anyone who cares, **unpaid**, for a friend or family member who due to illness, disability, a mental health problem or an addiction cannot cope without their support.”*

Carers Trust

### **1. Aim of the Fund**

The purpose of Time4Me is to improve the range, choice and availability of personalised and creative short breaks (see [‘What is a Short Break?’](#) for more info) for unpaid carers and the people they care for.

Fund Outcomes:

- Carers and the people they care for will have improved wellbeing
- Carers will have more opportunities to enjoy a life outside of their caring role
- Carers will feel better supported to sustain their caring role
- More hidden carers will be identified and offered support

### **2. Eligibility Criteria**

Unpaid carers applying for funding must meet the following criteria:

	Time4Me
Have not had a break in the last 12 months funded through the funds	✓
Have a caring role and the person you care for live in Perth & Kinross	✓
The break should not have already taken place	✓
Adult Carers (18+) should care for an adult aged 21+	✓
Young Carers (18 years or below) can care for children or adults	✓

Adult carers of children and young people with disabilities aged 20 years and under are not eligible for individual grants from the Time4Me Fund. The Scottish Government provides separate funding for carers of children and young people with additional support needs via the [Family Fund’s Take a Break Scotland programme](#). Kinship carers are also not eligible for individual grants from the Time4Me Fund as they are eligible for [kinship care allowances](#) provided by local authorities and, as such, are not considered unpaid carers.

### **3. What can we fund?**

Carers can apply for a grant to pay for respite of their own choosing. This means that the breaks are very individual and personalised to each unique situation. Carers decide when, where, with who and what they want to do! This may include things such as breaks away from home either alone or with the person you care for, temporary residential care home costs for the person you care for, a season ticket for your favourite football team, a gym membership, spa day, or even a greenhouse to help pursue a hobby! **Please note we cannot fund breaks retrospectively.**

#### **4. How much is available?**

Eligible carers can apply for grants of **up to £250** from Time4Me.

Please be aware that if the amount requested is not at least 90% of the total cost of the break/item we may ask how carers will fund the shortfall and if those plans seem unrealistic the application may not be approved by the panel.

#### **5. Applying**

<b>Time4Me</b>
Applications can be submitted at any time until <b>1<sup>st</sup> September 2019</b> , funds permitting.
The fund has strict time constraints and therefore must be spent and the breaks taken between <b>September 2018</b> and <b>September 2019</b> .

Applications must be submitted using our official Application Form (either word document or [online](#)). You can request a hard copy by contacting Respite Development Officer Marthe Handling on 01738 567076 or emailing [Marthe.Handling@pkavs.org.uk](mailto:Marthe.Handling@pkavs.org.uk)

If you find you need to cancel or change your break/item, let PKAVS know right away and we can discuss alternatives with the carer. We are flexible and understand that plans may change, but any change to what the panel agreed to fund **must be agreed in advance** or we may require the money to be refunded.

#### **6. Applying on behalf of a Young Carer to Time4Me Fund**

Young Carers (18 years or below) are entitled to apply for a grant from the Time4Me Fund but the application must be completed by a Young Carers Support Worker. Applications should be discussed and agreed by the Young Carers Parent/Guardian before being submitted. If successful the allocated funds will be paid directly to the Young Carers Service applying for the grant and must only be used for the young carer named in the application (we can pay the Parent/Guardian directly in some circumstances). The Funding Panel will require details of how the Young Carers Service intends to support the young carers to manage the fund (i.e. arranging to pay for the break). This information can be supplied in the 'Statement in support of application' section of the application form (Section 5).

## **7. What should the application include?**

Please use the application to demonstrate how the carer is impacted by their caring role and how the request will benefit them. It is important to show a clear link between the request and the caring role. Please see below for guidance on what is helpful to include in specific sections of the application.

### **Section 1 – Carers Details**

Please make sure you fill in all the fields, including ethnicity and D.O.B as we need to collate this information when reporting back to Funders at the end of the year. If you don't have a Carers Support Plan this will not affect your application but if you are interested in being referred to PKAVS Carers Support Workers for more advice and support in how to manage your caring role we can submit a referral form based on the information you provide in the application.

### **Section 2 – Your Caring Role**

What we want here is a brief overview of both the condition of the person/people in receipt of care and the caring role. We are interested to hear from carers how they see the caring role impacting their life. This could be in relation to personal health, social life, work/education, relationships or finances for example.

### **Section 3 – Break Details**

Use this section to tell us what the request is and how it will make a positive difference to the carers' life. We have also included a specific question what having a break means to the carer. Tell us how much the request is and how much the carer is requesting. We want to know that thought has been given to how any significant differences between the request and total cost have been covered. Please provide evidence of the cost. Typically this will be a quote or use the table to clearly breakdown the costings.

Please note if you are applying for funding for driving lessons, the carer may be asked additional questions about how they plan on financing the running costs associated with driving.

### **Section 4 – Completed by carer**

Please complete this section if the carer named in Section 1 has completed the application and is self-referring for a grant.\*

### **Section 5 – Completed by referrer**

Please complete this section if you are a professional submitting the application on behalf of a carer that you support. Please use this to highlight any additional information you would like the panel to consider. This is also your chance to share your assessment of the application and the carer's needs.\*

\* For electronic copies - By typing your name in the signature box, you are signing this application electronically. You agree your electronic signature is the legal equivalent of your manual signature on this application

## **8. Process for Awarding Funding & Receiving Payment**

Applications received will be reviewed by a funding panel that will meet on the **first Tuesday of every month\*** at The Gateway, North Methven Street, Perth, PH1 5PP. The funding panel will include (but not exclusively) PKAVS staff members, professionals from NHS Tayside and Perth & Kinross local authority.

Panel decisions will be based on applications meeting the eligibility criteria. In cases where there are more applications for funding than funds available, the panel will award funding to the applications which, in their opinion, best fit the intended outcomes listed on page 1.

Applicants will be informed of decisions no later than 14 days after the relevant panel meeting. If for any reason the panel is unable to meet, applications will be held over until the following month and applicants will be informed.

### Successful grants of up to £250

Successful applications will be sent a Fund Award Agreement that they must sign and return with their bank details, by the desired date. Payments will be made directly into your bank account with the reference **T4M**.

If the carer would prefer, we could assist in booking and paying for parts of or all of the break directly, for example, paying for the hotel, care costs, booking travel tickets, etc. The choice is up to the carer.

\*if the panel cannot meet on this day the meeting will be arranged for the next available day.

### **9. Feedback & Receipts**

It is a requirement of receiving funding that carers agree to complete a short break feedback form at the end of the break to record their experience and tell us the difference that the break made. **We are required to provide feedback to our funders and without this feedback we may not be awarded funds to distribute to carers in the future so it is really important that carers complete feedback forms after their breaks.**

To try and make your break as enjoyable and stress-free as possible we no longer require carers to return receipts **for awards of £250 and less**. However we do require carers to read, sign and return the Fund Agreement letter within the allotted time. Funds will then be processed after this date and paid into the named bank account. **Funding cannot be released until you return this form signed and dated.**

It was found with last year's fund that too often referring professionals didn't help when looking for support in completing the feedback form. Please be aware that completing the application **doesn't end your responsibilities and that you should be willing to support us to get these details returned.**

Failure to do so could see any future applications received from you or your team being discounted for consideration.

### **10. Unsuccessful Applications**

Carers who are not successful will also be informed of the decision no later than 14 days after the relevant panel meeting with an explanation of the reasons for refusal. We can help support you in reapplying as long as you meet the eligibility criteria.

### **11. Any Questions?**

The Time4Me Fund is managed by Marthe Handling, PKAVS Respite Development Officer. If you are unsure about the use of the fund, have any concerns or just wish to share success stories please contact Marthe on 01738 567076 or email [Marthe.Handling@pkavs.org.uk](mailto:Marthe.Handling@pkavs.org.uk)
